

# SUPPORT THE STRIKE

The Big 3 automakers have failed to offer a fair and equitable agreement, leaving no choice for UAW Big 3 autoworkers but to **STAND UP** and strike out against Corporate Greed! UAW members are fighting to win back concessions given up when the Big 3 were on the verge of bankruptcy because now, Ford, GM, and Stellantis are incredibly profitable but have failed to provide workers their fair share of the wealth UAW members have created. The incomprehensible profits and executive pay rob every working person and the American economy and fuel the race to the bottom.
